

★ SINGAPORE ★ 28th – 31st AUGUST ★

Abs' 28th Birthday Trip 🇸🇬

So... we are flying to Bali on the 31st to meet your friends... but we are first flying to Singapore for a weekend beforehand! Can have a few adventures round the city before the Bali madness begins! 🌴

🗺️ **The Plan (the only fixed bits):**

✈️ Fri 28 Aug: Jetstar JQ 7 — Melbourne → Singapore, departs ~12:00pm, lands at Changi ~6:00pm (7hr 50min)

🌴 Mon 31 Aug: Scoot TR 282 — Singapore → Denpasar, departs 3:20pm, lands 6:05pm

📍 Everything in between: completely unplanned. No schedule, no itinerary — we do whatever we fancy, whenever we fancy it.

Where We're Staying:

 [Hotel BOSS](#) — 500 Jalan Sultan, Singapore

Things to Bring:

-  Everything you were already planning to bring to Bali
-  A plug adapter for you — Singapore runs on glorious UK plugs, so I'm sorted. Told you ours are the best. 

Ideas for whenever we fancy (zero commitment):

Haji Lane & Arab Street — shops, bars and cafes, 5 min walk

Sultan Mosque — 5 min walk

Rooftop pool at the hotel

Little India — 15 min walk, or one stop on the MRT

Hawker centres — laksa, chicken rice, satay. Lavender Food Square is 5 min away

Kaya toast, soft eggs and kopi for breakfast — kopitiams all round the hotel

Singapore Sling at the Long Bar, Raffles Hotel — 20 min walk or 10 min on the MRT

Marina Bay and Gardens by the Bay — Supertrees light show at 7.45pm and 8.45pm, 15 min on the MRT

Rooftop bars overlooking Marina Bay — 15 min on the MRT

Chinatown — 15 min on the MRT

Orchard Road for shopping — 15 min on the MRT

Botanic Gardens, UNESCO site — 25 min on the MRT

Cable car to Sentosa from Mount Faber — 25 min on the MRT

Night Safari and the Zoo — north of the island, 30 min in a taxi

Jewel waterfall at Changi — inside the airport, we go right past it

Once again, Happy Birthday Abs — hope you have the best few days!!!
Love you lots ❤️
